

Gu Achi District Backhoe Work Request Form

1. Use of the Backhoe shall *ONLY* be on Gu Achi District lands.
2. The priority for the backhoe use shall be for digging graves for human burials.
3. The second priority for backhoe use shall be for emergencies, such as damage caused by natural events, and the protection of community members and property.
4. The Gu Achi District Laborers will do their best to meet this request to your satisfaction.
5. All digging projects require blue staking from the utility company in your service area before the start of the project. (Blue staking map must be attached)
6. If the backhoe request requires the assistance of Gu Achi District Laborers, please complete a Laborer Request Form.

I have read and agree to the guidelines listed, which may occur during the time of my request.
